

CORRESPONDENCE.

Wales Correspondence.

Winter having come in earnest and with it good sleighing, we are trying to enjoy and make the best of it.

Regular trains are now running on the new railroad from Pt. Huron to Almont, to the great pleasure and enjoyment of many on the line, especially those in and near Memphis. Next we shall look for the telegraph and daily mails.

Many are now preparing for Santa Claus and the holidays. A Christmas tree is to be held at Brown's church (M. E.) Columbus, Saturday evening, Dec. 23rd for the church and Sunday school. A Christmas tree, festival and concert is to be held at the Mt Pleasant chapel in Wales the same evening and one at Good's Christmas night.

Quite a number of our young men have gone to the lumber woods, and social gatherings are not so numerous as they were last winter.

W. E. Chate has six singing classes under instruction, in Columbus, Kimball, Clyde, Kenosha and Wales, so the few boys that are left are being taught the beautiful art of singing and improving finely.

David Lashbrook, aged 55, one of our best farmers and citizens, died on the 8th inst of inflammation of the lungs. The funeral was held on the 11th inst. at the Mount Pleasant Chapel, Rev G. Sharp, officiating. Nathan and Laura Lashbrook, father and mother of the deceased, are still living, he being 83 years of age. As ever, STEEL PEN.

Large Gleanings.

We saw Lady Greenwood pass by to night. She is looking well. Mr. Twichell knows how to take care of a horse and don't you forget it.

F. A. Hill has got his well finished He struck a splendid spring of water at the depth of 25ft.

T. Roberts is working in Taylor's blacksmith shop.

Our mill has stopped running on account of water.

Miss Cynthia Way was buried last Friday. She was sick about 3 months. Her parents have the sympathy of the whole neighborhood.

Elder Riley is still holding meetings here with good effect and much interest is manifest.

Mr Farr is fixing up the station house so as to keep the P. O. there.

C. W. Locke and lady, of Spencer, were visiting at F. A. Hill's last Saturday and Sunday.

Sleighbing is to utterly too, too, down here, also the weather is fine.

Walter Shiel is talking of digging a well.

Miss Emma Fussee is quite ill, also Miss Eltha Potter with some kind of fever.

James Armstrong is home from the woods for a few days.

Another funeral Thursday. An old lady from the northern part of this township.

Charles E. Farr has moved into his new residence.

Mrs. Alonzo Engles is moving up to Farwell to meet her husband. They are going to keep house up there. MONOC.

CAPAC NEWS.

From the Bugle.
Robt Evans, of Brown City, was in town on Tuesday.

Wm DeNott has moved his family into the village.

Miss Ida Bottomley returned from Pontiac on Tuesday.

John Burt arrived home from Mountmorency Co., Monday, and reports lots of snow in that region.

C. C. Burrows and wife, who have been attending school at this place, left for Chase, Lake Co., on Tuesday.

Richard Scott has purchased the 40 acres of land just east of the village, known as the "slaughter house" lot. The price paid \$650.

Miss Glema Williams and Miss Alice Reader of this place, are endeavoring to raise money on the sale of a fine 10 x 12 photograph of the high school building, for the purchase of a library for the Capac school. The effort is certainly a laudable one, the picture a good one at a low price, 60 cents, and the young ladies should be heartily encouraged in their work. The Bugle wishes them entire success.

The evening was very merry but notwithstanding this there was a large crowd and everything passed off nicely. The proceeds of the evening were \$24.15 clear of all expenses, besides numerous other substantial presents.

—E. Gordon one of our most enterprising citizens, who bought out F. S. Poole nearly a year ago and has been running the grocery business ever since, left here for Detroit on business over a week ago and has not been seen or heard from since. We are sorry to make a note of this, not only for his sake, but for his family, who know nothing of his whereabouts, which throws a gloom over his once happy home. We have always found Mr. Gordon to be an honest and upright citizen since our acquaintance with him. His entire stock has been closed out at a sacrifice.
